

NexaLearning to Merge with JER HR Group to Deliver Expanded Organizational Development & Learning Services

NexaLearning will merge with JER HR Group LLC, a recognized leader in compensation, learning and HR consulting services.

NEW YORK, NY – July 18, 2023 JER HR Group and NexaLearning jointly announce their plans for NexaLearning to join JER HR Group effective immediately. The private agreement allows the organizations to join forces in delivering organizational development, HR services, compensation consulting, and blended learning technologies.

“[JER HR Group](#) brings more than 30 years of experience in HR, compensation consulting, and talent development, working with clients nationwide. The integration of NexaLearning enhances both organization’s ability to deliver expanded organizational development services,” said Mahesh Kumar, Managing Director of JER HR Group.

[NexaLearning](#) has been in business for over 25 years, helping organizations build a higher performing, more engaged workforce. “Our unique strength is providing leadership programs that create long-lasting results,” said Susan Cullen, President and Founder of NexaLearning. Cullen is among the top one percent of Wiley Workforce Learning consultants, worldwide, who are recognized as diamond award-winning partners.

“We are thrilled to announce our merger with JER HR Group LLC. Collectively we will be able to help more companies understand the importance of creating a workforce culture that develops and values people,” says Cullen. “Our focus is to grow managers who engage their employees. When that happens, employees feel appreciated, committed, and want to give their best each day.”

“NexaLearning is a compelling brand in the learning space and will become a division of JER HR Group. All Organizational Development functions will be transitioned to NexaLearning, so we are able to offer a broad suite of products and solutions for clients requiring Organizational Development services. On a day-to-day basis, it is business as usual with added resources and consulting capabilities. Combined with our robust SaaS based Learning and HCM technology solutions under Trainery, we continue to expand our product and service capabilities to address client needs,” Kumar said.
