

Foundations of Leadership

Program Length: 2 Days

Assessments: Everything DiSC® Management Profile and the Thomas-Kilmann Conflict Mode Instrument (TKI®)

It takes a special skill set to manage and lead others effectively. Research shows that most individuals, when first promoted to a management position, feel ill-equipped for the role. More seasoned managers, when not provided with adequate training, have similar experiences. The Foundations of Leadership program is designed to provide new and experienced managers and supervisors with the fundamental skills needed to lead their staff to higher levels of productivity.

With the Foundations of Leadership course, You'll Learn to....

- Utilize the Most Effective Leadership Approach
- Adapt Your Leadership to Specific Situations
- Communicate Clearly and Effectively
- Develop Employee Accountability and Engagement
- Lead Diverse Behavioral Styles
- Excel at Performance Management
- Expertly Manage Conflict
- Adeptly Handle Change
- Put New Knowledge Into Immediate Action

Beyond the Classroom: Reinforcement Resources for Long Lasting Learning

Foundations of Leadership doesn't end in the classroom. You'll also receive:

- Two live webinars designed to reinforce key concepts and review progress.
- Tips newsletters sent every two months for a year.
- A self-paced eLearning course called "Reinforcing Your Understanding of Styles".
- Guidance about sharing your Leadership Development Plan with your manager.
- Feedback from a Progress Questionnaire sent to fellow participants.
